

BIS Export Control

I hereby agree, certify, and warrant that:

I am not located in or a citizen/national of any country that is subject to an embargo by the United States of America (the "Prohibited Destination"). I am not obtaining this software for any person who is located in, or a citizen/national of a Prohibited Destination. I am not obtaining this software for any entity located in a Prohibited Destination.

The United States Government has not suspended, revoked, or denied my export privileges. I am not obtaining this software for any person or entity whose export privileges have been suspended, revoked, or denied by the United States.

I am not listed on the United States Treasury Department's Specially Designated Nationals and Blocked Persons List. I am not obtaining this software for any person or entity on the Specially Designated Nationals and Blocked Persons List.

The software will not be used for any nuclear activities or for the design, development, production, stockpiling, or use of missiles, chemical or biological weapons. Nor will the software be used at any facilities involved in such activities.

This software product(s) is (are) subject to United States export control laws and regulations. I will not export, re-export, or divert this software contrary to any such laws and regulations.
